# Report from the Director

Greetings! We are in the final phase of making the Gilchrist Learning Center a reality. The idea for a learning center developed after the adjacent property was purchased by the Art Center Association of Sioux City with the future expansion of the Sioux City Art Center in mind. The project was delayed first when the Art Center agreed to allow the Sioux City Public Museum to launch and complete its own plans for a new museum. Then it was delayed again due to the economic impact of the 2008 recession. The capital campaign recently gained momentum when the Sioux City Community School District agreed to collaborate with the Art Center to more fully utilize the Art Center's planned expansion.

With the newly-enhanced plan and a matching challenge grant from the

Gilchrist Foundation, which had already provided a generous naming gift, the project is now within reach. In January 2017, the Art Center Association of Sioux City launched the public phase of the Learning Center capital campaign with a target of breaking ground in summer 2017 and opening to the public in 2018.

\*\*\*

The need to expand the Art Center with a new Learning Center is fourfold:

- to increase public access to the Art Center's studio education program
- to increase long-term exhibition space for the Art Center's Permanent Collection
- to increase and improve storage space for its growing collection
- to increase space for the Art Center's growing research library

At present the Art Center, due to security concerns, limits evening classes to one night per week during public hours. By expanding the Art Center with the Learning Center, we will be able to offer classes based on public demand (supported by surveys of students) for evening and after-school classes. In addition, the new Learning Center will enhance and increase our ongoing collaboration with the Sioux

City Community School District through new and enhanced programs for both students and teachers.

Upon completion of the Learning Center, the Art Center facility will be remodeled in order to better highlight its Permanent Collection, while maintaining our current galleries to continue our vigorous temporary exhibition program. The permanent collection storage will then be moved to the second floor, a larger and more secure location. In addition, the current storage area will be remodeled to accommodate an updated hands-on-gallery, and a previous classroom will be converted to a non-lending library.

If you wish to support the Art Center's planned Gilchrist Learning Center with a donation, please contact me or Development Coordinator Stacie Anderson.

I look forward to seeing you at the Art Center.

Al Harris-Fernandez  
Art Center Director

## *Ben Pratt*

Main Gallery

December 17, 2016 - March 12, 2017

Ben Pratt combines his creativity and knowledge of art with the precise craftsmanship of a trained draftsman. He should: he has a degree in drafting from Western Iowa Tech Community College and a degree in art from Briar Cliff University. His work ethic drives him to create paintings that are as crisply rendered as digital prints. His active mind searches for innovative ways to transform his ideas into fun, eye-popping images. Ben's finished paintings are clean and clear, but always seems to be something more lurking behind the playfulness.

Though most art fans in Siouxland are familiar with Ben's work, this exhibition is the first opportunity for anyone to view a large number of his paintings at one time.

## *Contour Paintings by Jodi Whitlock*

Main Gallery

December 17, 2016 – March 12, 2017

In her work of the last several years, Jodi Whitlock has explored different ways of presenting photographic images. This exploration has led her to create collages with found objects, paint, or other materials that have mined photographs for the meanings and emotions that might sit behind the picture plane. This exhibition presents paintings that are based on straightforward vintage portrait photographs. Going back to one of the earliest exercises that all art students are taught, Jodi creates blind contour drawings of the photographic portrait, using a single, continuous line. Sometimes the contour line is made using a black Sharpie; at other times, she uses a graphite pencil, which is then followed by acrylic paint that is squeezed from a bottle or syringe. She completes the artwork using only a few colors in acrylic paint to enhance whatever feeling her drawn portrait seems to express.

Jodi has a degree in art from Briar Cliff University with a minor in psychology, and a master of fine arts degree from the University of South Dakota.

## Creativity: Sioux City Style

March 25 – June 25, 2017

**Reception: Saturday, March 25, 5:00-7:00 pm (Gallery Talk 6:00 pm)**

March 2017 marks the 20<sup>th</sup> anniversary of the opening of the Sioux City Art Center's fantastic facility. The exhibition galleries have been used to present the widest possible range of art to our community. But the building also allowed the Art Center to renew its commitment and bring increased attention to the artistic accomplishments of local artists. To recognize the anniversary of the bold, innovative thinking that led to this building, the Art Center is bringing a mix of many of our favorite creators and innovators for a three-month exhibition of Sioux City's visual artists.

In addition to sharing some of their most creative artworks with the Art Center's visitors, the artists are asked to think about the role that the drive to create plays in their lives. The creation of art is as difficult as it can be fulfilling, an activity usually performed in isolation that is then, if all goes well, presented for public scrutiny. With all the challenges that go into the making of art, why do our local artists devote themselves to it? Come find out for yourself how they address this question and how much fantastic art is produced in Sioux City.

## The Briar Cliff Review Exhibition

April 20 – July 9, 2017

**Reception: Thursday, April 20, 6:00-8:30 pm (Gallery Talk 6:30 pm)**

The exhibition includes artworks by local and regional artists that are featured in the 2017 edition of *The Briar Cliff Review*, Briar Cliff University's award-winning journal of articles, essays, poetry, photography, and art. The exhibition is an eclectic gathering of mediums and styles, presented as a sampling of many of the artistic trends occurring in the region.

### **VOLUNTEER OPPORTUNITIES AT THE ART CENTER**

#### • Docent

Join the ranks of dedicated docents who lead school and adult groups through the ever-changing exhibitions. General docents provide a tour of the building and /or exhibitions, including information on the history of the Art Center, the permanent collection and a synopsis of exhibited works. ARTWORKS docents lead fifth grade tours and also teach a hands-on project. A background in teaching is helpful but not required. Docent training is provided.

#### • Education Intern

Teacher's Aides act as an "extra pair of hands" for the art teacher. They assist during children's and adult art classes, workshops, birthday parties and special events.

You will receive training before starting your volunteer job and will be mentored until you feel comfortable. Our staff will provide you positive feedback and assistance as needed. You will also have a pleasant work space and all necessary materials. Because of the wide variety of volunteer opportunities, you can change jobs or add new responsibilities as your interests grow and change.

## Presenting Sponsor

The Sioux City Art Center is pleased to announce that Tyson Foods, Inc. is the Presenting Sponsor for Art Center's ArtSplash 2017! Tyson Foods has been a long time supporter of the Art Center and ArtSplash, but this major partnership signifies an increased commitment to the Siouxland community and its residents. Sponsorships like this help make Art Center's ArtSplash a bigger and better festival. We are grateful for their contribution!

## Volunteer Spotlight

Tom Standish has volunteered with Art Center's ArtSplash since 2003, and has been the "go-to guy" for all tent set up needs at the festival. Every year, Tom recruits the volunteers needed to set up upwards of twenty tents festival-wide. He then makes sure all tent components are in good working order and are organized so they can get to work as soon as possible on site. Then, the real work begins. Tom and his Sioux City Fire Department coworkers show up at the park and do not rest until the festival site is perfectly put together. ArtSplash wouldn't be the same without him!

"Volunteering for ArtSplash has been a fun way to make new friends, expand my network, and boost my leadership and social skills. I appreciate the opportunity to give back to an organization that engages the community in the importance of art through exhibits, education and entertainment - especially during the ArtSplash Festival which is an awesome mix of fun, art and music."

– Tom Standish

## Get Involved

We are heading into our 24<sup>th</sup> year of Art Center's ArtSplash! Plans are in place to make the festival even better!

In the coming months, Art Center's ArtSplash will be busy taking artist applications for the 2017 annual juried art show. As many as 120 artists will be invited to exhibit and area artists are encouraged to apply. Find a link to the application site on the Sioux City Art Center website: [www.siouxcityartcenter.org/artsplash](http://www.siouxcityartcenter.org/artsplash). Our three-person jury will convene in May to select our 2017 ArtSplash artists.

Food Vendor and Children's Activity applications are also available now on our website! Get in on the fun and earn money for your non-profit!

Want to get involved in ArtSplash? There's much to do, both during the planning year and the festival itself. We need people with all kinds of skills and abilities. Fundraising has also started and is always a great way to ensure a future for the festival. If you would like to learn more about making a donation to Art Center's ArtSplash and/or volunteering at the festival, please contact Development Coordinator Erin Webber-Dreeszen at 712-279-6272 ext. 232 or at [ewebber@sioux-city.org](mailto:ewebber@sioux-city.org) to learn about opportunities for getting in on the fun!

## Donor Spotlight

Art Center's ArtSplash is the grateful recipient of the generosity of the Chesterman Company for our Coca-Cola and water needs. Every year, Chesterman Company donates Coke and Dasani products and coolers (with the work of Doug Leckband, who gets it all there) to make sure our volunteers have enough to drink during what can often be a warm holiday weekend. Jay Chesterman had this to say about our partnership:

"Chesterman Co. has long been a supporter of the Sioux City Art Center, and of Art Center's ArtSplash. We feel this prestigious event enriches our community, and helps folks of all ages to be able to connect with the Arts."
