

FUNDRAISING OPPORTUNITY!

Art Center's ArtSplash 2017
September 2 & 3

Art Center's ArtSplash is celebrating its 24th year and invites you to be a part of the FUN! At ArtSplash, art mixes with continuous family entertainment, strolling performers and demonstrations, and a delicious variety of festival foods. One of the event's most popular areas is the children's area, which is designed for children and parents to create "hands-on" projects to take home.

This year, ArtSplash will select up to ten area non-profit organizations to host children's activity booths for a fundraising opportunity unlike any others!

Please read through the Application and Key Information Sheet BEFORE submitting any items.

Include these items with your application and submit no later than **June 1, 2017**.

- \$75 registration fee
- If your application is not accepted, the registration fee will be returned with the notification letter.
- A sample of your project
- NO FACE PAINTING OR TEMPORARY TATTOOS WILL BE ALLOWED.

Upon acceptance, all organizations must be in contact with Erin Webber-Dreeszen, Development Coordinator to finalize arrangements.

This is a wonderful way for your organization to not only raise money to support your projects, but also to promote community awareness. We look forward to receiving your application!
