Greetings! The Sioux City Art Center is a model public/private partnership between the City of Sioux City and Art Center Association of Sioux City. Without the support of both, the Art Center would not be able to achieve the quality programs that we provide our community and region.

Highlights from our latest fiscal year, June 2016 – July 2017, include the following:

Exhibitions included four outstanding shows. In July 2016 the Art Center opened a touring exhibition, *John Himmelfarb: Trucks*, featuring prints, paintings and sculptures by the Chicago based artist. As part of the exhibition the Art Center purchased a sculpture, *Bend in the Road*, for our Permanent Collection. In addition, the exhibition included the *Penelope Project*, an outreach program featuring one of the artist’s actual truck/sculptures. During the run of the exhibition, *Penelope* visited 22 Sioux City Community School District schools. The daylong visits were coordinated with teachers who arranged related art projects as part of the visits.

In December 2016, two Sioux City artists were featured in one-person exhibitions. Ben Pratt presented his meticulously crafted paintings of popular culture subject matter, ranging from popsicles to gun range targets, while Jodi Whitlock featured an assortment of portraits and groups of people which employed the blind contour method, a practice where the artist draws the contours of her subject without looking at the canvas. The Art Center also purchased artworks by both artists for the Permanent Collection.

In November 2016 the exhibition *A Regional Reflection: The LeGrand Collection* opened. This included more than 50 artworks collected by Sioux City residents Ritch and Kathy LeGrand. The collection, an intended gift to the Art Center, reflects the Art Center’s collecting plan that focuses on artists from the upper Midwest.

The Art Center’s ability to promote its growing Permanent Collection, made a significant advance in the past year as the Art Center Association of Sioux City completed its capital campaign for the planned expansion of the Art Center with the Gilchrist Learning Center. The Learning Center is the first phase of the Association’s plan, *Increasing Access to Art and Education*, which includes increasing exhibition and storage space for the growing Permanent Collection.

The Gilchrist Learning Center will open in 2018, followed by the second phase of the plan that includes renovations to the existing Art Center facility. While the major impact of the Learning Center will be to grow our education program, making it available to a larger audience, the renovations to the Art Center will enhance the Art Center’s ability to grow, care for, and share our Permanent Collection with the public. While we look forward to our own construction project, the nearby modernizing of I-29 and attendant detours, etc., have impacted the ability to easily access the Art Center. We look forward to the completion of both projects, since both promise to raise our community’s quality of life.

I look forward to seeing you at the Art Center.

Al Harris-Fernandez
Director, Sioux City Art Center

Exhibitions during 2016-2017 included three ongoing/permanent exhibitions: Grant Wood’s *Corn Room* mural on the third floor; The Sioux City Art Center Permanent Collection on display in the Margaret Ann Martin Everist Permanent Collection Gallery, the Community Gallery, and throughout the T. S. Martin Atrium; and outdoor sculptures by John Henry and Michael Dunbar.

The additional first-floor exhibition space, the Gardner Room, hosted six temporary exhibitions: these included two one-person exhibitions of local artists, one collaborative exhibition between two local artists, one exhibition by the Sioux City Camera Club, one exhibition by Siouxland Artists, Inc., and one exhibition of children in Head Start programs overseen by the Community Action Agency of Siouxland.

The third-floor galleries hosted ten exhibitions, including: two one-person exhibitions of local artists; one one-person exhibition of a Chicago-based artist; one exhibition of works by area schoolchildren; and six group exhibitions of local and regional artists—one of which was organized as a fund-raising auction and another one featuring works within a single, local, private collection.
