

# ANNUAL REPORT

FY July 1, 2018 – June 30, 2019

It was a fabulous year! The Art Center implemented its plan, Increasing Access to Art and Education by building and opening the new Gilchrist Learning Center, as well as completing renovations to the Art Center facility. While the Gilchrist Learning Center allows our education program to offer more classes and flexible scheduling, the renovations of the Art Center facility have added two new exhibition galleries, enhanced the storage space for our growing collection, and added a new meeting/library space. In addition, the Art Center staff worked closely with the Junior League to update the Junior League's Hands On! Gallery.

Also, during the year the Art Center received a \$250,000 Gilchrist Foundation grant in support of major traveling exhibitions. Look for more information about the specific exhibitions in the *Spring Quarterly Calendar*.

As you read through the annual report, you will recognize our other achievements made during the past year.

Thank you for your support.
