

Field Journaling with Students-BEETLES PL Session Materials (c) Joseph Grinnell

July 29 Clear at sunrise
Sally starts to
wake up in the beach
at 8:00 AM. The birds
are still in the trees.
On the beach 5:00 AM
The sun is shining
and the birds are
singing. The wind is
blowing from the
west. The water is
calm.

The mountains are
still in the glory
of a quiet day.
The mountains are
still in the glory
of a quiet day.
The mountains are
still in the glory
of a quiet day.

August 1 - Sunny at sunrise
The birds are
going.
The birds are
going.

2nd of August - Sunny
The birds are
going. The birds
are going. The birds
are going.

August 8 10 to 10:15
The birds are
going. The birds
are going. The birds
are going.
